If both parents are living, please give the reason that this child is in need of sponsorship. Based upon the family's current needs and situation, what kind of activities might enable the parents to become self-sufficient and able to pay the costs of educating their children?	<p>The parents are struggling with limited income that is hardly enough to meet the basics such as rent and medical expenses. The parents are as well currently separated and have found it difficult to cover education expenses because the mother is unemployed and father working between temporary contractual jobs. The child stays with his grandmother who is retired and as well of age which makes it difficult for her to search for income for betterment of the child.</p> <p>The parents if possible would be able to set up a produce selling business/shop to be able to cater for education costs.</p>
If parents have passed away, please give the reason for their passing (so long as the family is comfortable sharing this information. If the family is not comfortable sharing, please state this)
